A three-circuit labyrinth in eyelets. For those days when you're not sure you'll ever reach your goal.

**Materials**

Worsted weight cotton (sample was made with Lion Cotton in white), about 60 yds

Needles that give you a gauge of 5 st/in. This is if you want to make a standard 9" cloth. If not, use needles that give you a fabric you like with the yarn you use. (The sample was made using US4/3.5mm.)

Yarn needle for weaving in ends

Optional: [Celtic Knot Soap from Eclectic Lady](http://www.eclecticlady.co.uk)

**Please note:**

- The graph includes all rows.
- There are two "rest" rows between each eyelet row.

Bind off. Block as desired. (Please note: because all the decreases slant the same way, there will be
some biasing. Blocking will help.)
