August 1-6 CYF, ID
August 8-12 Juniors, OR
New Congregations Enliven our Ministry

For years, I’ve believed that New Church Ministry is our best kept secret as Disciples of Christ. We celebrate that Disciples are now 85% of the way toward our goal of 1,000 new churches in twenty years. In the Oregon-SW Idaho region, more than 20% of our congregations have started in the twenty-first century. In this space, I’d like to share more details about that and encourage you to support the Pentecost Offering in May 2016.

Among current Oregon-SW Idaho churches, God has blessed us with four ministries that have become fully recognized congregations early in the twentieth-first century. These include Iglesia Cristiana Escudo y Fortaleza in Salem, and Peniel Ministries, Trees of Righteousness Christian Church and The View Christian Church in Portland. This year, we will acknowledge the Ione Community Church, a dual affiliated ministry of Disciples and the United Church of Christ, as a fully recognized congregation. Six more ministries are at different stages of the affiliating or the congregation in formation process. These include Iglesia Cristiana Peniel de Hillsboro, Iglesia Nueva Vida, Christ Church, Pacific Islands Family Church, and Saint John’s Community Church in Portland, and La Vida in Troutdale. That’s eleven congregations. One more, Iglesia Cristiana Principe de Paz, of Portland has just received a recommendation from the regional New Church Ministry Team, to become a Disciples related congregation in formation.

Without these ministries, the Oregon-SW Idaho region would number fewer than three dozen congregations. More importantly, with these ministries Disciples help to reach more people and places in a wider variety of languages, cultures and generations than would otherwise be possible. For those with eyes to see and ears to hear, there are other benefits. Individual congregations and groups who have met each other, between new and established churches, have found great friendships and partnerships that build up the Body of Christ. Some have leaned on and learned from each other in ways that make obvious that God is in the plan. I myself have found inspiration, joy and encouragement many times in worship and friendship with Christian brothers and sisters in Disciples new church ministries.

All of the above has happened with fairly modest financial support from other Disciples. In our Oregon-SW Idaho region, the annual Pentecost offering for new churches is usually around $8,000. In 2014, FEDICE (Disciples Church Extension) provided $17,500. This year, we will acknowledge the region’s $17,500 Pentecost offering. I invite you to support the Pentecost offering in May 2016.

Regional Assembly is often a great time to meet Disciples of Christ leaders visiting from other regions. This year will be no exception. General Church leaders planning to join us May 20-21 in Springfield will include:

Vý Nguyen, Week of Compassion
Rosario Ibarra, Disciples Church Extension
Ben Bohren, National Benevolent Association
April Lewton, National Benevolent Association

Each of these leaders will be available to share with you about specific ministries and services made possible by our giving to Disciples Mission Fund. You can meet with these leaders in the display area, during workshop times, or email them ahead to set time for a conversation.

Thank you to the women of Salem First Christian, Eugene First Christian, LaGrande First Christian, Mountain Home Christian Baptist, Hood River Valley Christian, Medford First for hosting Pray and Play events this year. 193 women participated in the events this year from 27 congregations. Thanks go to the traveling team, Renee Windsor - (The View). Thanks to Debbie Harry for perfect attendance at all six events and for packing the supplies all six times.

The offering, totaling $13,852 for the six events, was divided evenly between the FEDICE Romerillos project (see article above) and the Disciples Mission Fund. The women also purchased over $3,900 worth of supplies for the Lynchwood Christian Church school book project and 40 plus notebooks made by our mission partners in Mozambique to support the Goi Goi Farm and onion plants. The regional board has approved this Phase II of the Romerillos project, seeking to raise a total of $17,500. Blanca Puma, Executive Director of the ministry, will share more about this project at the Regional Assembly, May 20-21 and at Parkview Christian May 22.

Response to Needs Long Term and Short Term

Following the earthquakes in Ecuador, Week of Compassion and Global Ministries joined with FEDICE to respond to the needs of the Ecuadorian people. The Ecuadorian government response teams created a list of most needed items by persons in the affected area. Since FEDICE and the communities it serves were not in the earthquake zone, FEDICE mobilized to purchase and ship supplies to the affected areas using money provided by Week of Compassion and Global Ministries.

FEDICE, our mission partner presence in Ecuador for over 20 years, generally works with long term development. Romerillos is the site of a microloan project funded by the Oregon-SW Idaho region in 2014. FEDICE now has a plan to double the number of families participating in the project. Another 29 families can develop their own income sources with livestock and onion plants. The regional board has approved this Phase II of the Romerillos project, seeking to raise a total of $17,500. Blanca Puma, Executive Director of the ministry, will share more about this project at the Regional Assembly, May 20-21 and at Parkview Christian May 22.

Women’s Pray and Play Day 2016

Thank you to the women of Salem First Christian, Eugene First Christian, LaGrande First Christian, Mountain Home Christian Baptist, Hood River Valley Christian, Medford First for hosting Pray and Play events this year. 193 women participated in the events this year from 27 congregations. Thanks go to the traveling team, Renee Windsor-White (Albany First), Liz Cronin (Portland First) and Debbie Harry (The View). Thanks to Debbie Harry for perfect attendance at all six events and for packing the supplies all six times.

The offering, totaling $13,852 for the six events, was divided evenly between the FEDICE Romerillos project (see article above) and the Disciples Mission Fund. The women also purchased over $3,900 worth of supplies for the Lynchwood Christian Church school book project and 40 plus notebooks made by our mission partners in Mozambique to support the Goi Goi Farm and the work of Kim and Erik Free. The notebooks were made by a group of widows in Goi Goi. At the Hood River event, the women had the opportunity to shop at the thrift shop operated by the women of the congregation.

The group prayed in prayer forms both ancient and modern and explored the theme scripture, 1 Corinthians 13. Pray and Play events for 2017 are already in the works. Watch our website for dates to appear in the later part of summer. Set the time aside and invite your friends.
