Our Regional Church enjoys an almost two decade long relationship with FEDICE Ecuador ministry that empowers people in rural Ecuador through micro-loans to community projects. We were glad to see Executive Director of FEDICE, Blanca Puma, and her husband Luis Jara this past spring for a visit.

This year a group from our region visited in Ecuador, giving workshops on domestic violence prevention, leading a Vacation Bible School, participating in a remodeling project, and visiting with our partners. The group brought home artisan crafts to sell in the congregations where they went to tell the story of their journey.

This year we exceeded our $22,000 goal for a microloan project in Maca Atapulo which we launched more than a year ago.

Other programs of the regional church include:

- Nurture of pastors & those studying to be pastors
- New Church Ministries
- Church Camps
- Pastoral Placement
- Women's Retreats
- Leadership Training
- Future Planning
