

Regional Assembly 2022 Update

The local arrangements group met on November 3, 2021 with staff and leaders from Salem First Christian Church. Some plans for our 2020 gathering can be reshaped, and some things simply need to change format to meet current realities.

The following topics were discussed:

- ♦ Technology parameters for sanctuary and workshop space
- ♦ How to make the event hybrid/which parts hybrid
- ♦ Youth and Children programming
- ♦ Neva Clausen fair trade sale confirmation
- ♦ Regional Choir for closing worship
- ♦ Meal arrangements for Friday night/Saturday morning/noon
- ♦ Program pieces to fit into the schedule
- ♦ Budget and registration process
- ♦ Décor for the sanctuary to be congruent with theme
- ♦ Launching of theme/publicity/program/schedule January 2022
- ♦ Sending save the date information with more volume, even though save the date materials have been in all of our publications and media since 2020.

Meeting again late in the year to continue to hammer out details.

Watch for details online.
