**Regional Assembly May 2022**

Thank you Salem First Christian Church for offering to host this event
Dear Friends,

For over a year, churches across the United States have had to create different ways to “do church.” In a way, the coronavirus caused this. Really, it was the virus AND the people of God following Jesus’ commandment to love our neighbors and ourselves. The church found creative ways to share the gospel.

New church ministry finds new ways to share the gospel all the time. During the epidemic, long existing churches have had to do things differently.

New churches do some things differently all the time. Almost all churches were doing new church ministry in some way during the pandemic.

Disciples of Christ will celebrate our new church ministries with the Pentecost offering, May 16 and 23. With the Covid-19 year of 2020, only about half of the congregations in our regional church actually gave to the new church offering. In 2021, let’s improve on that.

You can give personally by going to this link: www.disciplesmissionfund.org; or give through your congregation or by sending to the regional church office.

On May 22, please join us for an online hour to “meet the church planters.” As on Pentecost day, you’ll be amazed with what God is doing.

Doug

Global Ministries Partner with FEDICE

Your giving to Disciples Mission Fund (DMF) helps support our mission partner FEDICE. FEDICE in Spanish is Fe (faith) + Dice (says) or “faith says.” FEDICE ministers with indigenous communities in Ecuador to build up churches, communities and families.

Global Ministries, supported by DMF, has already given three grants to FEDICE in 2021. The three grants add up to $10,000.

One is for work in the coastal community of Sua.

The third grant is for the general operations of FEDICE, led by Executive Director Blanca Puma.

Another is for economic development to build a place for tourists to stay high in the mountains of Imbabura province. This will provide income in a rural area.

You can learn more about the work of FEDICE by visiting the website: www.fedice.org.

Videos about work in the Ecuadoran communities are posted often on our Regional Church Facebook Page https://www.facebook.com/CCOSWI and the FEDICE Facebook Page https://www.facebook.com/fedice.ecuador. You can also view pictures on our website at: https://www.oidisciples.org/fedice-updates and see blog posts from the last time some of the members of our congregations visited in Ecuador at: https://www.oidisciples.org/blog-posts-2019-fedice-trip

Update from the April 17 Event

Our April online women’s event drew around 100 people from five states and India. Keynoters Anita Grace Paul and Tracia Deal brought inspiration and hope. Five small groups shared faith, one of them led in Spanish. Our offering met the goal of $1,500, with half going to the Family Village Farm in India and half going to Clergy Family Emergency Fund. An additional $1,050 was sent to the FVF from special funds on hand for mission.

Two Upcoming Online Training Opportunities

3 Hr. Children’s Worship and Wonder, July 9

CW&W uses a four-fold order of worship. The children come into a special worship space, to a storyteller waiting to greet them. They sit in a circle, surrounded by Bible stories made just for them, with all materials at their height, each in its special place, accessible to the children. The storyteller leads the children in a time of singing and praise. This coming together of the children follows the first order of worship which is the gathering of God’s people. Cost is $75. https://discipleshomemissions.regfox.com/cww2

3 Hr. Disaster Preparedness Training, June 26 morning

Associate Director of Week of Compassion, Caroline Hamilton-Arnold will assist congregations to learn about how to prepare for disasters in their community and to make plans for their congregational response and response to their surrounding communities. Cost is $10. Sign up and more details will be found shortly on the upcoming events section of our Website: www.oidisciples.org/news-c1h8s
