Water the Plants

Water the Plants stands as a Disciples church-wide initiative that brings together 1,000 intercessors to pray for the leaders and congregations of the Christian (Disciples of Christ) New Church Movement. Those praying meet weekly by phone for 12 minutes every Tuesday at 6:00 a.m. and Thursday at 6:00 p.m. (Pacific Time) to pray for new churches locally and across the continent.

In January New Church leaders in our regional church were featured in the monthly Water the Plants calendar. We are currently recruiting persons from our region to join in Water the Plants. We aim to have at least one person regularly praying for each of our region’s New Churches. At least three more people are currently needed. You may sign up directly online, or you may contact our regional Leadership Associate Staff, Bernice Rivera.

Oregon Disciple Foundation Annual Meeting, March 2

The Board of Directors for Oregon Disciple Foundation will hold their annual meeting on March 2. ODF is a separate non profit organization with a separate board from the regional church board. Members manage special gifts invested through Christian Church Foundation to benefit ministries within the Oregon and Southwest Idaho Region.

Grants from ODF often go to new church ministries, seminary scholarships, summer camp and seminary scholarships and special projects of congregations. In 2020, ODF gave strong support to the regional Pastor’s Emergency Fund in light of unexpected challenges caused during the pandemic. Other distributions went to flood relief in Pendleton, Fox Community Church which is an outreach of John Day FCC, and scholarships for three seminary students. Board members come from all five districts of the regional church.
