Calendar of Regional  4
News from Congregations  4
Last year, two women rode the bus all day long in Ecuador to thank Oregon and Idaho Disciples for being their partners. In such times, it is overwhelming to know that the thanks really belong to many more back home.

Visiting around the regional church, your regional ministers have similar experiences. People thank us personally for a particular ministry or blessing, when really the thanks belongs to all who support Disciples regional ministries. These include:

- The family who can send all of their children to summer camp because of scholarships;
- A much relieved lay leader sensing the church has found the direction they needed;
- The smiling groups of pastors and lay leaders kind of surprised they had such a good experience at an Anti Racism workshop;
- New church leaders who gained knowledge, support and inspiration at a training event;
- A pastor thankful for extra support when it was most needed;
- The woman who made a new friend at the retreat;
- Someone else whose life was just blessed in a way that will remain private;
- A church in an out of the way place that feels like someone cares.

We hear the thanks, and from time to time, we pass that on to you. You don’t see all the faces or hear the voices that we see and hear, but they’re really thanking God for you.

Your Christmas offering goes far and wide across Idaho and Oregon, and beyond from your offering plate, or check or online gift, to people and places who could use some Good News. Churches will receive this offering on December 10 and 17, or you can give online at www.disciplesmissionfund.org. You can find posters, powerpoint slides, a video, and bulletin inserts that invite at http://www.oidisciples.org/news-c1h8s

Christmas offering gifts will help churches find pastors, youth go to camp, new churches get started, congregations turn the corner and much more. From the hearts of many, thanks for doing that!

Do the Math!

The regional church has added two part time positions in 2017. The Vision Plan approved at the 2016 Regional Assembly included the concept of transitioning the regional church staff from a co-ministry model (with two Regional Ministers) to a team ministry model with part time staff persons joining the Regional Ministers and our other two part time staff.

As of November 4, Bernice Rivera started work as a Leader Development Associate. She will visit Spanish speaking ministries in the regional church, on an average of one church per weekend, about 5–6 hours per week. She will also visit other congregations helping to build relationships between congregations and with the regional church. Bernice is a member of Murray Hills Christian Church in Beaverton, Oregon and a representative to the General Board of the Disciples of Christ Church.

Stacy Shelton has also started work as Communications Associate. She will manage Constant Contact, develop online registration processes, and oversee videoconferencing by ministries in the regional church, working an average of 20 hours per month. Stacy serves as Pastor at the Medford First Christian Church. We welcome Stacy and Bernice to the regional staff and give thanks for the gifts they bring.
