Future Story Continues

At the May Regional Assembly, we spent Saturday morning reviewing the first two years of our three year “Future Story.”

Our implementation team helps us to stay on track with this three year set of directions. At Assembly we reported what has happened so far and looked forward to what comes next as we seek to live into our three transitions:

- Moving from living in a shared history to living into a shared future;
- Moving from indirect institutional connections to individual/congregational relationships;
- Moving from a Co-Ministry style to a Team Ministry style of leadership.

Since the launch of the Future Story in 2016, we have moved forward on all of the benchmarks we set for ourselves. A few examples include:

- Preparing to launch a ministry training program in Spanish in partnership with Disciples Seminary Foundation.
- Trained 10 Anti-Racism Trainers, held 3 trainings for clergy and lay leaders touching over 100 people in 3 locations, and led training at regional events in NW Region and our own region.
- Launched a Regional Elders program with 8 Elders spending time with 51 retired pastors and 24 pastors serving in specialized ministries.
- Hired new staff to work with camps, communications and new church support.

Disciples meet every two years for General Assembly in odd numbered years. The next one will happen in Des Moines, Iowa in 2019.

In between General Assembly years, the summers keep just as busy. Disciples meet in numerous general church groups to build up Christians and the Body of Christ. Here are some of the groups for this summer:

- **July 12-14** Asamblea Hispana Nacional in Phoenix, AZ. Organized by Hispanic Disciples
- **July 16-18** College of Regional Ministers, Birmingham, AL DOC Regional Ministers
- **July 17-18** Forum of Regional Moderators, Birmingham, AL. DOC Regional Moderators
- **July 19-22** National Convocation 25th Biennial Session, Birmingham, AL Organized by African American Disciples of Christ
- **August 8-11** North American Pacific Asian Disciples of Christ, Portland, OR, Organized by Asian American and Pacific Island Disciples

This summer of 2018 will be the first year that Oregon and SW Idaho Disciples have someone present at all five of these events. Each meeting has an important role in the life of our church. The racial ethnic ministries include a lot of the growth happening today within the Disciples. The Regional Ministers and Regional Moderators spend some time together and some time in separate meetings. For 2018, these meetings are also coordinated with the Convocation.

**North American Pacific Asian Disciples meeting August 8-11**

Every two years, the North American Pacific Asian Disciples meet for a Convocation. The Convocation is a time for learning, worship, meeting people and appreciating many of the cultures present in the Disciples.

In 2018, the NAPAD Convocation will meet at First Christian Church in Portland from August 8-11. All Disciples are invited! Affordable overnight housing is available within a short walk at Portland State University. If you don’t know a lot about NAPAD, come and learn about some remarkable Disciples and ministries. You can find more information at www.napad.net.

**New Regional Board Holds First Meeting in June**

The Board of Directors for Christian Church in Oregon Southwest Idaho met on Saturday, June 2. Officers for the next two years are Geoff Speidel Moderator (Hood River Valley); Robi Ingram-Rich 1st Vice Moderator (Portland FCC); Judy Meneghin 2nd Vice Moderator (Murray Hills); Donna Culley, Treasurer (Ontario); and Erik Free, Moderator-Elect (Keizer).

Some board members drove long distances to attend, three came by airplane and two logged in to participate by video conference. The board received orientation about their duties, heard staff, committee and financial reports, and approved the creation of a new Anti Racism Reconciliation Team for the regional church. Other highlights included the new microloan project with the FEDICE ministry in Ecuador, plans for a two year ministry education program taught in Spanish in Portland, and special events for Chuukese and Spanish speaking churches in the first quarter of 2018. General Board representative Rebecca Smith of Medford shared the opening devotion. Shari Eggleston, Pastor of The View Christian Church led the communion.

**Newest Ecuador Project Goal: $22,000**

At the Regional Assembly in May, Oregon and SW Idaho Disciples began a new mission project with our partners in Ecuador FEDICE. This project has a goal of $22,000 to provide microloans to 24 families in the community of Maca Atápulo, Ecuador. The families will use the money to start their own businesses in raising sheep, cattle and/or onions. Once the money is repaid, the women’s organization in the community will use it again to benefit more families.

The breakdown of project costs is as follows:

- Raw materials: $16,800
- Technical training: $2,520
- FEDICE support: $2,680

Total project cash: $22,000

The regional church Executive Committee decided to add $2,680 to the FEDICE request for the support of FEDICE staff who work with the project for organizing, accounting, and consulting. Community residents will add $8,592 more in kind items/labor and other contributions.
